

## Christmas Party - December 7th, 2019

Our Club met again at Roger and Layne's Church for our annual Christmas Party: Holy Trinity Lutheran Church, 39020 West Five Mile Road in Livonia, MI. We had a good turn out and everybody found the location; it's much easier the third time around.

Looks like the food is magically ready, let's load up our plates:

Jim Nye certainly fits this definition; he is always ready to help in any way he can: Web team, Special projects, and for 2020 he is a new Vice President ... thanks Jim for being you!

### Next topic ... gift giving and stealing.

One of the highlights of every Michigan Fiero Club Christmas Party is the gift exchange.

The trick is to pick the right gift at the right time; every participant can either open a new gift or steal someone else's gift. The only catch is a gift can only be stolen twice. Like I said "timing is everything". Too early and you might lose your gift to a stealer ... too late and the gift you wanted to steal can be out of play! The order of play is determined by a random draw.

The Ladies are so nice; they generally apologize before they steal a gift ... the guys not so much.

Let's look at some of the gifts and the resulting action:

Ron looks really interested in the Lady's gifts?

I bet it lights up!

This could be interesting?

### Now for some Guy gifts:

What could this be?

Tools, I always need more tools.

PAM MAIER HAS VOLINTEERED TO BE OUR NEW PHOTOGRAFER. AFTER MUCH EFFORT, I FOUND ONE PICTURE OF HER THAT HER HUSBAND MIKE MUST HAVE TAKEN. SHE IS THE LADY IN BLACK READING THE GIFT LABEL ... THANKS PAM!

If you liked the organization and the decorations you have Layne to thank for most of it ... my role as usual was to say "Yes Dear!" Try it some time, I have found it is a great way to get the last word in almost any conversation. See ... 49 years of marriage has taught me something!

Ok, now we can call it a day ... good bye to all and to all a good night (or maybe afternoon). Another great Christmas Party for the Michigan Fiero Club.

It's been an interesting year with a lot of great events, meetings, shows and the welcoming of several new members.

Somehow our beloved Fieros have stood the test of time and new people are entering the classic car market via our great 30 plus year old cars. Our Club represents a great gathering place for both the enjoyment of classic cars and excellant social events.

Thank you one and all for making this Club so successful. If you missed this years Christmas Party, please try and join us next year ... it is a good time!

Merry Christmas,

*Roger and Layne Fagnani*
